Joe Pedraza, Asst. Planning and Code Enforcement Director, stated previous commission action approved an extension for one year that ends July 31, 2020 and to solicit proposals. Liquid Environmental Solutions requested an 8-month extension effective August 1, 2020 due to COVID-19 pandemic that has most of their staff working from home. Staff recommended approval.

In response to the Commission; Joe Pedraza stated staff asked for justification of the request and the vendors response was as a result of staffing no longer in the office and layoff of personnel it would made it difficult for them to respond to a request for qualifications. The City Manager stated staff was to begin the process in March for the RFQ's but with EOC operations ensuing in the emergency order for COVID-19 staff has not been able to begin; the contract allows the extension; if approved gives time for staff to begin the process of solicitation for proposals. Joe Pedraza stated their rates charged are reasonable; the vendor has been in place for 8 years and by soliciting proposal allows comparison of true market value for this type of service.

Commissioner Kerr, seconded by Mayor Pro Tem Lopez, moved to approve an extension of franchise agreement for 8 months effective August 1, 2020 with Liquid Environmental Solutions and proposals be solicited as presented. The motion carried unanimously; Mayor Suarez was present and voting.

Mayor Suarez voiced concerns on the absence of the rates. Joe Pedraza stated the vendors position is if a rate is set it could be too high or low since it is unclear when and if the services may be needed. Commissioner Muñoz stated if the contract in place is for another one or two years a rate could be indicated. The City Manager stated he would be meeting with them and recommended to table until a rate could be established and bring back to the commission.

Commissioner Muñoz, seconded by Mayor Pro Tem Lopez, moved to table an amendment to Republic Services waste collection contract as presented. The motion carried unanimously; Mayor Suarez was present and voting.

E. Discussion and consideration of the 4th of July fireworks display and authorize the Mayor to execute any related documents. Possible action. (Staffed by Parks and Recreation Department.)

Commissioner Farias seconded by Mayor Pro Tem Lopez moved to discuss.

Omar Rodriguez, Parks & Recreation Director stated Weslaco Economic Development Corporation (EDC) has hosted the 4th of July festivities and the City partners in these festivities by providing the fireworks display. The EDC cancelled the festival this year and staff recommended to close the park to the public and allow the fireworks display to be done for the citizens from the Mayor Pablo Peña Park since there is a pending order of fireworks. The total cost would be \$13,000 and a contract has not been finalized.

Commissioner Muñoz suggested to move the fireworks display to Harlon Block Sports Complex since the event will be closed to the public noting traffic control has been a concern for the area in the past. Mayor Suarez recommended to table any action until after executive session.

Commissioner Munoz seconded by Commissioner Farias moved to table. The motion carried unanimously; Mayor Suarez was present and voting.

The City Manager went over the summary of items for reimbursement that include wages of exempt employees; equipment, technology, vehicles and capital outlay for the departments for an estimated burn rate from March 1 to December 2020 to be \$3.5 million and recommended approval.

In response to the commission; the City Manager stated staff was ready to proceed in submittal of reimbursement within the next couple of days; the capital outlay for the airport and improvements will be categorized as expenses to facilitate COVID-19 activities (distribution of supplies). Mayor Suarez recommended more monies for the “incentive plan”. The City Manager noted the budget can change and if the commission wished to increase those funds it could be done. The City may receive more funding from the County as the per capita for Weslaco may be an additional \$18.00. The City Manager stated the City will be paying for some items, funds need to be spent first and then will be reimbursed subject to eligibility and stated staff will be working closely with County Auditors to ensure eligibility.

Commissioner Kerr, seconded by Mayor Pro Tem Lopez, moved to approve submittal of reimbursement expenses with the increase in line item of incentive plan for CARES Act for
